Re: 2022 Older American Award

The City of Torrance Commission on Aging invites you to nominate a qualified senior volunteer from your organization to be considered for the **2022 Older American Award**. It is truly an honor for deserving seniors to be nominated for this outstanding award. We understand the COVID pandemic may have slowed down many of our seniors from participating in volunteer work within the community. However, many are working from home in other capacities.

For your convenience, we are attaching the nomination form. We can also mail hard copies at your request. A note, the nominees must reside in the City of Torrance. Zip code 90502 is not eligible because it is in the LA County Strip - and is not considered Torrance- only a mailing address.

This year, we anticipate the nominees will be selected to receive the City of Torrance 2022 Older American Award at a City Council meeting in May 2022; we are not sure if it will be in person or via Zoom. The specific date and details will be mailed to the award recipients by early April.

Thank you for taking your time to complete the 2022 Older American Nomination form. This is an opportunity to recognize a senior volunteer within your organization. When adding additional information, be sure to list how long your volunteer has lived in Torrance and any other pertinent information. Please attach a photo of your nominee or e-mail a photo to the e-mail address listed below.

It is time to "brag" about your candidate's achievements! **Applications and photos are due by Monday, March 21, 2022.**

If you have any questions, please contact Julie Dojori, Commission on Aging Chair at (310) 544-3434.

Please return completed application to:
